## NinjaTrader Strategy Vault - NEW Strategies Update Installation Steps (updated 5.7.2025)

You can download the **Strategy Lab Pro - Strategy Vault - NinjaTrader Strategies (.zip)** file for use in NinjaTrader 8 from the members area. This (.zip) file (updated 5.7.2025) includes **NEW Trending Strategies** (Trend 0021 through Trend 0026) and contains **ALL** of the **Strategy Lab Pro - Strategy Vault - NinjaTrader Strategies**:

- Mean Reversion Strategies 0001 and 0002
- Scalping Strategies 0001 through 0003
- Trending Strategies 0001 through 0026

**IMPORTANT: It is NOT necessary to uninstall the prior strategies (from the 4.30.2025 update) and/or re-build your workspace after installing (importing) this (.zip) file (updated 5.7.2025)! 😊**

**Please use the following steps for successfully updating NinjaTrader with the latest Strategy Lab Pro Strategies and Strategy Templates:**

- 1) Open NinjaTrader (if NinjaTrader is already running then disable ALL of your strategies as you will need to restart NinjaTrader after importing this update)
- 2) On the **NinjaTrader Control Center**, go to **Tools**, then **Import**, then **NinjaScript Add-On**, and **Open** the “**Ninjacators.StrategyLabPro.Strategies.05072025**” compressed (.zip) file (which is likely in your Downloads folder)
- 3) Click “**Yes**” to authorize these add ons and continue
- 4) Click “**Yes**” to replace existing strategy and indicator files (you will be prompted several times to do this - this is normal)
- 5) Click “**OK**” to complete the installation and then save your workspace and close NinjaTrader
- 6) Find the “**Ninjacators.StrategyLabPro.StrategyTemplates.05072025**” compressed (.zip) file (which is likely in your Downloads folder), right click on it and select “**Extract All...**”
- 7) **Extract** the files into the following destination folder:  
**C:\Users\Administrator\Documents\NinjaTrader 8\templates\Strategy**
- 8) Open **NinjaTrader**

ALL of these Strategies will be accessible within NinjaTrader in the **Ninjacators -> StrategyLabPro** strategies folder.

Thank you for being a part of the **Strategy Lab Pro** community.
